

## HOW TO ORDER

Two ways in — submit online or call us. Either way the rest of the journey is the same.

### Two ways to start

- **Online:** Submit at [easym Merch.life/start](https://easym Merch.life/start) or use our bulk wizard at [easym Merch.life/draft/bulk-wizard](https://easym Merch.life/draft/bulk-wizard).
- **By phone or email:** Call (907) 394-5510 or email [waldenbros2020@gmail.com](mailto:waldenbros2020@gmail.com). We'll collect your details and write the proposal for you.

### The process

- 1 Tell us what you want**  
Decoration method (printing or embroidery), garment style + color, decoration placement, sizes & quantities. Repeat for any additional styles or colors.
- 2 Review your proposal**  
You'll get a proposal with mockups + pricing. Request edits if anything's off. **What you approve is what we produce.**
- 3 Approval = production**  
Once approved, blank items get ordered and decoration starts. You'll get a pickup or shipping notification when it's done.

#### RULE

**Never click Approve unless you actually approve.** If you need an edit, tell us first — we'll revise the proposal and resend.
